Putting Pieces Together New for High-Quality Early Learning

October 2, 2015

McDowell Conference Room, STF

October 8, 2015

Gratton Room, Regina Catholic Schools Division Office

Facilitators: Monique Wahl and Angela Yeaman

Explore the foundational principles and visions of high-quality early learning programs. Experience the basic elements of creating an early learning environment through play, invitations, project work and documentation. Share with others and create networks of support in your field.

Responding to Children's Interests

November 27, 2015 and April 8, 2016

Eamer Auditorium, STF

Facilitators: Lindsay Charabin, Tanya Mazurek, Pamela Sawatzky

Explore and connect with educators in early learning settings, as you clarify and deepen your understandings of emergent curriculum, creating invitations, the environment as the third teacher and project-based learning.

Connecting Curriculum to Play-Based Projects in Kindergarten (Formerly Making Learning Visible in Kindergarten)

December 1, 2015

Prairie Valley School Division Office, Regina

Facilitators: Ryan Digneau and Christine Danyluk

Supporting kindergarten educators across Saskatchewan, this workshop is designed to help support the continued development and understanding of the vision and principles in both the *Children First: A Resource for Kindergarten* and in the *Kindergarten* curriculum. There will be opportunities for collaborative planning and exploring project work and documentation.

Connecting Curriculum to Play-Based Projects in Kindergarten (Formerly Making Learning Visible in Kindergarten)

January 11, 2016

Eamer Auditorium, STF

Facilitators: Ryan Digneau and Christine Danyluk

Supporting kindergarten educators across Saskatchewan, this workshop is designed to help support the continued development and understanding of the vision and principles in both the *Children First: A Resource for Kindergarten* and in the *Kindergarten* curriculum. There will be opportunities for collaborative planning and exploring project work and documentation.

Simple Solutions for Documentation New

January 22, 2016

Eamer Auditorium, STF

Facilitators: Connie Molnar, Tanya Mazurek, Pamela Sawatzky

Explore and connect with educators as you clarify and deepen your understanding of the purposes and methods of documentation. Collaborate with colleagues as you create your own criteria for quality documentation and templates for organizing and managing the information collected by outcomes for reporting.

Early Learning With Block Play – New Numeracy, Science, Literacy and So Much More!

March 4, 2016

McDowell Conference Room, STF

Facilitators: Connie Molnar and Angela Yeaman

Block play is a hands-on workshop to explore developmentally appropriate ways to use block play to enhance mathematics, science, literacy and social skills development in the early years setting. Explore current research on block play and how to document student work for reflection and growth as you share and make connections with educators in your field.

Remind 101 is an app that allows us to send you text messages regarding upcoming professional growth opportunities. If you would like to join our text list, please text [@spduearly](https://twitter.com/spduearly) to 306-988-2019.
