

Physical literacy is just as important as learning to read and write.

Physically literate children and youth are confident and competent movers who can understand, control, and develop their use of fundamental movement skills.

Physically literate children and youth are able to transfer movement skills, concepts, tactics, and strategies to a wide variety of movement activities. [LEARN MORE](#)

The development of physical literacy is one of multiple literacies and support children and youth in their deeper understanding of self;

- 1 EMOTIONALLY
- 2 MENTALLY
- 3 PHYSICALLY
- 4 SPIRITUALLY

TEAM EFFORT

Developing physical literacy in our children will take the combined efforts of;

- COACHES
- COMMUNITY LEADERS
- DAY CARE PROVIDERS
- EDUCATORS
- PARENTS/GUARDIANS
